General grants for hobby associations

Mandatory questions are marked with a star (*)

Welcome to fill out this form. JYY's general grants for associations are given based on your answers in this application. This form is dedicated to hobby associations operating within JYY.

The basic amount of the general grants was shared this spring and it's purpose is to support the basic functions of the association. This part of the grants is action-based.

- The amount of grants is based primarily on activities and themes such as activity, diversity and equality
- The activities must be inclusive to all members and new members are recruited.
- Also the involvement to JYY's activities and values are taken into consideration in this grant.

In this application the association are asked to evaluate present year's activities.

We encourage the Board to discuss the matters of the application and evaluate their success of activities. That means that this form can be used as a tool of self-evaluation and it can be helpful with constructing the annual report and the testaments.

If you encounter any difficulties while answering the questions, please be in contact with member and association services secretary, jasenpalvelusihteeri@jyy.fi

JYY expects everyone to answer truthfully. JYY will organize some random checks to make sure that the answers reflect the truth. In a case foul play is found, JYY may deny the grants from the association for this and the following year in full amount.
